# INDEX TO VOLUME 64

## CONTRIBUTED PAPERS

### A

Abdominal stomal therapy: A new concept in patient care. James P. Muldoon, M.D., 664

Acyanotic heart disease in infancy. Gerald C. Timmis, M.D., Seymour Gordon, M.D., Prescott Jordan, M.D., and Lyle F. Jacobson, M.D., 554. Addendum, 746

Amalgamation of osteopaths and physicians in California: A good result. Joseph P. Cosentino, M.D., 639

Amniotic fluid spectral absorption in the management of Rh sensitization. Frank J. Schrader, M.D., Byrne R. Marshall, M.D., Bruce A. Work, M.D., and Tommy Nevans, M.D., 258

Amputation, Partial, of the penis, without postoperative stricture. Jack Lapides, M.D., 24

An automobile accident, Genesis and sequelae—medical aspects. Harold Brandaleone, M.D., 759

Anorectal malformations. James R. Lloyd, M.D., 668

Asthma, The present status of the treatment of. G. L. Waldbott, M.D., 478

### B

Blood donor, The unreliable professional. George C. Hill, M.S., M.D., Sik Woo Ting, M.D., Ernest M. Berkas, Ph.D., M.D., Joel Shrager, M.D., and Donald Lipsey, B.S., 471

"Blurring of the Mirror," the public image of the medical profession E. C. Swanson, M.D., 29

Brain tumors. Harvey Gass, M.D., 167

### C

Cancer chemotherapy: The importance of selection of the patient. Donald R. Korst, M.D., 395

Carcinoma in situ of the cervix with genital tract extension. R. R. Margulis, M.D., R. W. Dustin, M.D., and G. D. Daugherty, M.D., 251

Cervical cytology survey, Emmet and Charlevoix Counties. J. H. Webster, M.D., and J. R. Postle, M.D., 21

Chemotherapy with delinquents. Stanley M. Lynk, M.D., and Elaine Amidon, M.S.W., 762

Child abuse and neglect, Preventive approach to problems of. Ralph Ten Have, M.D., 645

Chronic arthritis and heart disease. Leon D. Ostrander, M.D., 335

Chylothorax, Traumatic. John L. Shek, M.D., 99

Clinical applications of lung scanning. Howard J. Dworkin, M.D., Raphael J. Lessard, B.A., and William H. Beierwaltes, M.D., 829

Common sexual problems in marriage. Peter A. Martin, M.D., 323

Congenital thrombocytopenic purpura due to intrauterine rubella infection. Jorge A. Veronelli, M.D., Joseph V. Baublis, M.D., Ruth M. Heyne, M.D., and John E. Hoggatt, M.D., 923

Contact dermatitis due to topical hydrocortisone and prednisolone. Ralph J. Coskey, M.D., 669

Cough, Symptomatic control of, in respiratory allergies with chlortrimeton expectorant. Samuel J. Levin, M.D., and Robert A. Scherer, M.D., 549

### D

Detection of uterine cancer by diagnostic cytology. Wayne L. Eaton, M.D., 551

### E

Eight steps in final assault on tuberculosis. John Isbister, M.D., 128

Electromyographic effects of skeletal muscle relaxant drugs in paraplegia of traumatic origin. Wayne W. Glas, M.D., and S. M. Baylis, M.D., 328

Emotional factors in headache. R. W. Waggoner, M.D., 400

### F

Family planning and population control, Physician's responsibility in. Robert Willson, M.D., 332

Felty's syndrome—a report of two unusual cases. Gilbert J. Galens, M.D., 560

Functioning pheochromocytoma with neurofibromatosis without hypertension. Douglas Chandler, M.D., F.A.C.P., 25

### G

Genesis and sequelae of an automobile accident—medical aspects. Harold Brandaleone, M.D., 759

### H

Headache, Emotional factors in. R. W. Waggoner, M.D., 400

Hippocratic Oath, The. William N. Hubbard, Jr., M.D., 247

Hypnosis . . . every individual's educational problem. John M. Dorsey, M.D., 484

### I

Identity, Problem of. Peter A. Martin, M.D., 658

Idiopathic thrombocytopenic purpura and systemic lupus erythematosus, Familial occurrence of. A case report. Joseph M. Kopmeyer, M.D., 261

Infertility, Investigation of. Robert W. Noyes, M.D., 97

Intestinal obstruction—a review of some uncommon causes. Paul M. Dassell, M.D., 176

Intrapericardial aorta for dissecting aneurysm with aortic regurgitation, Replacement of. Thomas Gahagen, M.D., and Ellet H. Drake, M.D., 642

"Ischemic" (so-called "coronary") heart disease, Prevention of. Wilhelm Raab, M.D., 929

# INDEX TO VOLUME 64

## L

Legal responsibilities of Hospital Health officer discussed. Max Karl Newman, M.D., 912

Leiomyomas of the duodenum. Theodore Palm, M.D., Ralph E. Carlson, M.D., and Donald T. Anderson, M.D., 565

Lung scanning, Clinical applications of. Howard J. Dworkin, M.D., Raphael J. Lessard, B. A., and William H. Beierwaltes, M.D., 829

## M

Management of the high-risk obstetrical patient. Robert E. L. Nesbitt, M.D., 915

Masked Mastoiditis. Roger Boles, M.D., 836

Menopause—a deficiency disease. F. P. Rhoades, M.D., 410

Mental health, Community, in Michigan: Recent developments. Jose J. Llinas, M.D., 481

Michigan's community mental health programs and the doctor of medicine. John M. Dorsey, M.D., 195

Michigan Department of Health laboratories. G. D. Cummings, M.D., 91

Migraine, Treatment of. John R. Graham, M.D., 650

## N

Narrative report on the tornado disaster, A. W. B. Carruthers, M.D., and Dan Zavela, M.D., 843

## O

Obstetrical patient, Management of the high-risk. Robert E. L. Nesbitt, M.D., 915

Occipital nerve, Syndrome of greater. Seymour L. Osher, M.D., and J. Murray Day, M.D., 473

Osteopaths and physicians, Amalgamation of, in California. Joseph P. Cosentino, M.D., 639

Oxyphenbutazone versus enzymes in rhinoplasty: A clinical study. Khalid M. Durrani, M.B., F.R.C.S. (C.), Jack Hipps, M.D., and Ruy Vianna, M.D., 338

## P

Penis, Partial amputation of, without postoperative stricture. Jack Lapides, M.D., 24

Pheochromocytoma, Functioning, with neurofibromatosis without hypertension. Douglas Chandler, M.D., F.A.C.P., 25

Physician's responsibility in family planning and population control. Robert Willson, M.D., 332

Population control and family planning, Physician's responsibility in. Robert Willson, M.D., 332

Post-spinal headache in obstetrics, Prevention of. Colin Campbell, M.D., and Lois Maulding, 104

Present status of the treatment of asthma. G. L. Waldbott, M.D., 478

Prevention of "ischemic" (so-called "coronary") heart disease. Wilhelm Raab, M.D., 929

Prevention of post-spinal headache in obstetrics. Colin Campbell, M.D., and Lois Maulding, 104

Preventive approach to problems of child abuse and neglect. Ralph Ten Have, M.D., 645

Problem of identity. Peter A. Martin, M.D., 658

Procaine amide hydrochloride (Pronestyl) induced agranulocytosis. Frederick N. Talmers, M.D., and Allen J. Telmos, M.D., 655

Psoriasis, Severe, complicating radiotherapy. H. Gunter Seydel, M.D., 926

Public image of the medical profession, "Blurring of the mirror." E. C. Swanson, M.D., 29

## R

Rabies treatment, Use of laboratory data in. Michigan Department of Health, 423

Recent developments . . . Community Mental Health in Michigan. Jose J. Llinas, 481

Replacement of the intrapericardial aorta for dissecting aneurysm with aortic regurgitation. Thomas Gahagan, M.D., and Ellet H. Drake, M.D., 642

Resilient radial nerve, The. John O. Goodsell, A.B., M.D., F.A.C.S., 756

Rupture of the uterus with ligation of the internal iliac artery as a life-saving procedure. Donald C. Swan, M.D., F.A.C.O.G., 101

## S

Salmonellosis, Observations on, in Michigan. G. H. Agate, M.D., and D. B. Coohon, D.V.M., 767

Scalene node and the problem of sarcoidosis, Note on the. Albert DeGroat, M.D., 667

Serous otitis media: The need for its recognition as a sign rather than a diagnosis. Ward B. Litton, M.D., 413

Serum enzyme tests and electrocardiographic changes in diagnosis of acute myocardial infarction. Ross V. Taylor, M.D., and Joseph A. Preston, M.D., 751

Sexual education of children, Physicians role in. Saul I. Harrison, M.D., 173

Symptomatic control of cough in respiratory allergies with chlortrimeton expectorant. Samuel J. Levin, M.D., and Robert A. Scherer, M.D., 549

Syndrome of the greater occipital nerve. Seymour L. Osher, M.D., and J. Murray Day, M.D., 473

Syphilis, Why don't we control? John Cowan, M.D., M.S., M.P.H., and William J. McCurry, B.S., 17

Systemic lupus erythematosus and idiopathic thrombocytopenic purpura, Familial occurrence of. A case report. Joseph M. Kopmeyer, M.D., 261

## T

Thoracic wall, Abnormalities of: classification and problems. Charles L. Adams, M.D., F.A.C.S., and W. Clayton Davis, M.D., 402

Tornado disaster, The, a narrative report. W. B. Carruthers, MD., and Dan Zavela, M.D., 843

Traumatic chylothorax. John L. Shek, M.D., 99

Treatment of migraine, The. John R. Graham, M.D., 650

Tuberculosis, a world problem. C. J. Wherrett, M.D., 182

Tuberculosis, Eight steps in final assault on. John Isbister, M.D., 128

## U

Unreliable professional blood donor, The. George C. Hill, M.S., M.D., Sik Woo Ting, M.D., Ernest M. Berkas, Ph.D., M.D., Joe Shrager, M.D., and Donald Lipsey, B.S., 471

Use of laboratory data in rabies treatment. Michigan Department of Health, 423

Uterine cancer detection by diagnostic cytology. Wayne L. Eaton, M.D., 551

Uterus, Rupture of, with ligation of the internal iliac artery as a life-saving procedure. Donald C. Swan, M.D., F.A.C.O.G., 101

## X

X-ray pelvimetry and cephalopelvic disproportion. William E. Sprague, M.D., 841

## ANCILLARY

AAMC details library needs, 364

Academy of pediatrics opposed to smoking, 364

Adler re-elected president of MMS, 955

"Adolescent Medicine" U-M conference topic, 439

"Adolescence" symposium, May 20, 21, 280

AMA council on nutrition pushes three objectives, 208

AMA health guide offers sound advice, 789

AMA helps provide medics for Viet Nam, 796

AMA says owning pharmacies ethical, 60

Annis, Edward R., M.D., to speak at dental meet, 281

Approved merit rating offers greater equity in Blue Shield rates, 513

Art exhibit, 1965, to be held in Cobo Hall, 280

Art exhibit winners reported, 868

Blodgett, Dr. James B., heads Michigan Heart Association, 282

Blue Cross board re-elects Herbert W. Harris, M.D., and William S. Reveno, M.D., to Board of Trustees, 359

Blue Shield board elects 12, 868

Blue Shield rates, Approved merit rating offers greater equity in, 513

Brennan, Michael J., M.D., leads cancer coordinating committee for 1965, 130

Cancer materials offered to teachers, 125

Careers in medicine workshop at University of Akron, 361

Catholic Hospital Association 50 years old, 359

Cerebral blood flow measuring method described, 480

Coller banquet speakers selected, 512

Coller-Penberthy conference nears, 438

Community Health Week planning started, 518

Community mental health plan revealed, 594

Community mental health activities, progress report, 717

Council on Continuing Psychiatric Education to coordinate educational efforts, 361

Dingman, Reed O., to address MSMAS, April 25, 208

Dow Corning helps cardiac surgeons, 361

Evans, Fox to head WSU departments, 955

Examine 200 youths in Metro sample, 359

Exhibits available from Michigan Health Council, 209

Family planning policy by state printed in full, 126

Generalists now a vanishing species, Are, 796

Gift from Towsley Foundation to provide U-M with postgraduate center, 280

Glacouma testing saves 54, 283

Goiter survey in Tecumseh discussed in AMA Journal, 513

Handbook for making bequests to medical research available from AMA-ERF, 360

Health Department offers Guthrie test, 210

Heart scientific session, February 26, 27, 127

Hemophilia fund established in Michigan, 439

Hemophilia unit offers consultation, 791

Horn leads pathologists; McDonald chosen for '66, 126

Hospital relations as seen by AMA, 793

Industrial health guide offered, 515

"Keep Michigan Beautiful" campaign support urged, 361

Kingswood Hospital nearing completion, 816

Kresge grant given WSU for eye institute, 55

Laboratory designations explained, 284

League for nursing issues career folder, directory, 130

Livesay chairs College of Radiology board, 280

Mary Free Bed Hospital to have new clinic, 956

Measles immunization recommended by Academy of Pediatrics, 518

Medical Assistants Society to meet in Ann Arbor April 25, 282

Medical self-help project provides valuable training, 872

Mental health plan, Community, revealed, 594

Mental health series offered by Wayne, 790

Mercywood accredited psychiatric hospital, 960

Michigan Orthopaedic Society to meet June 10-12, 359

Michigan Orthopaedic Society annual summer meeting, June 10-12, 125

Millard renamed to national medical assistant committee, 956

"Mother and Fetus" symposium, November 10-11, 789

MSMAS convention set September 22-23, 515

MSMAS growth traced, 870

MSMAS plans UP seminar, 514

MSU medical classes begin, 876

MSU receives study grant, 281

MSU, Sparrow Hospital enter agreements for training, 514

National organizations, New leaders of, 591

Neuropsychiatric group elects, 129

New drug amendments for '66 explained, 794

New state laws interpreted, 792

New study to survey health needs, 719

"Personal Protective Equipment for Employes in Industry" booklet available from AMA, 515

Planning council under way, 591

Plastic surgeons elect Dr. Harold W. Jaffe, 438

Postgraduate courses offered by U-M listed, 126

Preschool hearing, vision screening results revealed. Michigan Department of Health, 958

Professional week planned; set MAP Congress, March 26-27, 125

Radio ad applauds service by physicians, 513
Residents' Day in obstetrics, gynecology at WSU, March 24, 55
Rheumatic fever desk reference cards available from heart association, 281
Rutan, Cecile, receives "Medical Assistant of 1964" award, 125

Scholarships offered by Michigan League for Nursing, 281
Scott, Gordon H., Ph.D., and McLean, Don W., M.D., honored at WSU, 516
Skeletal diseases symposium in Detroit May 26, 283
Stroke medical desk reference cards available from Michigan Heart Association, 721
Sturgis Library of Hematology opens at U-M, 592
Syphilis tests listed, 284

TB seal sale sets record, 439
TB Speaking Project winners named, 439
Tell ways cities can get doctors, 514
37 Michigan hospitals serve mental patients, 127
Tuberculin test added to school checkpoint law, 517

U-M alumni to hear AMA president-elect, 798
U-M Medical Center begins fund drive, 955
U-M postgraduate medicine calendar, 791
U-M receives Federal grant for new building, 719
U-M selects doctors for awards, grants, 873
Upper Peninsula Medical Society elects Dr. Willis H. Huron, 723

Vocational rehabilitation program explained, 595

Ward, Blasingame speak March 26, 27, at MAP Congress, 208
Wayne County Medical Society to hold symposium on Muscle Disease, May 26, 361
Wayne TV series, "For Doctors Only," 209
"Winning Ways with Patients" booklet available for receptionists, 515
WJBK-TV cameras help tell smoking and health story, 127
WSU alumni event set for May 19, 125
WSU combines reunion and research building dedication, May 18-19, 283
WSU lists tuition-free psychiatric seminars, 798
WSU medical school appoints representatives, 360
WSU medical school continues Wednesday series, 61
WSU Obstetrics Day speakers named, March 24, 127
WSU opens new research building, 512
WSU plans symposium, 723
WSU plans symposium on blood, January 21-22, 955

## COUNTY SOCIETIES

Allegan splits polio proceeds, 133

Barry funds help hospital, 519
Bay County society aids in office training, 293
Branch County offers course, 220

Calhoun Clinic Day, 49
Calhoun County Medical Society hear discussions of AMA legislative efforts, 110
Chippewa-Mackinac helps MTU, 220
Clinton Society observes 75th year, 434
Counties alerted to "Project Head-Start," 434

Fairfield, Donald, new executive secretary, Muskegon County Medical Society, 268

Genesee County Medical Society Annual Dinner meeting, January 7, 110
Genesee Society gives for museum, 588
Grand Traverse-Leelanau-Benzie County Medical Society hear medical examiner, 49
Greene County (Mo.) Medical Society "Singing Doctors" finance scholarships, 436

Hillsdale allocates $6,000, 220
Huron gives therapy equipment, 519

Ingham aids polio fund, 434
Ingham survey, 49

Jackson career booklet, 49
Jackson County Medical Society contributes to pediatrics equipment purchase, 110
Jackson pushes career program, 519

Kalamazoo Emergency Plan, 220
Kent hosts clergy, 434

Lapeer aids county hospital, 133
Lenawee physicians aid tornado victims, 436

"Medical History of Muskegon County" published, 49
Midland gives portrait, 220
Midland lectures, 49
Mid-winter Medical Conference at Boyne Mountain, February 6-11, 955
Monroe splits proceeds, 434
